Minutes:

MAYOR PRO TEM REESE declared the Public Hearing open.

KEN VOGT, 9901 West Sahara Avenue, clarified that the request is for a 5-foot setback, not a 2.75-foot setback. The reduction is from 10 feet to 5 feet on the south side of property. He

verified with COUNCILWOMAN TARKANIAN that she had received the letters from the neighbors.

Regarding the question of the 2.75 foot setback, MARGO WHEELER, Director of Planning and Development Department, replied that staff notifies on the original plan (and not based on the revised plan dated July 31, 2006.) That plan still shows less than five feet, thus still requiring the variance. DEPUTY CITY ATTORNEY BRYAN SCOTT added that this would be fine, as long as the distance is determined.

COUNCILWOMAN TARKANIAN indicated she visited the area and the only resident who would be affected supported the request.

MAYOR PRO TEM REESE declared the Public Hearing closed.
